Arrests Made in Sinatra Kidnap Case

By JAMES BACON AP Movie-Television Writer

HOLLYWOOD (AP) - The Frank Sinatra Jr. kidnaping case, first in Hollywood history, was broken today with the arrest of three men and recovery of nearly all of the \$240,000 ransom money.

"Thank God, it's over," said Frank Sinatra Sr., spending his fourth night at the home of his former wife, Nancy. The parents, knowing a break was imminent, were reported "sweating it out" with young Frank, 19, and his sisters, Mrs. Nancy Sands, 23, and Tina, 16.

The three suspects were identified in an announcement reicased here and in Washington, as John W. Irwin, 42, of Holly- munist-led tin miners began a wood; Barry W. Keenan, 23, of general mobilization in their Los Angeles, and Joseph Clyde Andean mountain stronghold Amsler, 23, of Playa Del Rey, a today, still refusing to release suburban beach town.
